Allowable Subject Matter and Reasons for Allowance

4. The independent claims 1, 2, 7, 17, 21, and 22 are allowable over the prior arts of cited record because they include a modified limitation in the claimed apparatus/method for a medical history documentation system/method, comprising a means/(step of operating that means):

- a transcriber for providing report section templates including four report sections templates corresponding to discrete conditions of a patient: current medical condition, a physical examination, diagnosis, treatment plan; said transcriber decodes each encoded indicia into optional text variable segment which are assigned for each discrete recording section.

5. Claims 3-6, 8-16, 18-20, 23-33 are allowed because they are dependent claims of the allowable, independent claims 2, 7, 17, 22, in that order.
